Date / Signature / Stamp / Main Supervisor

Guidelines for Applications PhD Program Experimental Medicine

Applications are to be submitted by **email to phd@med.uni-tuebingen.de**. The attached **application form and the numbered attachments** must be merged in the **below mentioned order** into **one single pdf file**.

The application form must be signed by the doctoral candidate and the supervisor of the doctoral project. Prospective candidates are expected to have already contacted a researcher at the Medical Faculty who is willing to supervise the thesis. Please read the further program regulations / Studienordnung to find out if you are eligible for the program.

Please note that only applications that are prepared according to the instructions, that are complete and that are submitted by the deadline will be included in the review process.

Applications must include the following documents:

	Application form (signed by candidate and supervisor) Doctoral Candidate-Advisor Agreement	<input type="checkbox"/>
Att. 1	Motivational letter describing the applicant's reasons for choosing to apply for the PhD program (1 page)	<input type="checkbox"/>
Att. 2	Description of doctoral project (3-5 pages) according to the following structure: <ul style="list-style-type: none"> a. Working title b. Scientific background (1/2 to 1 page) c. Research goals (up to 1 page) d. Methods (up to 1 page) e. Training & Supervision (usually several lines; can be more exhaustive, e.g. if special training of the candidate or support by other departments is needed) f. Financial planning (several lines: please state by whom and for how long the project will be financed – specify the scholarship, research grant or other sources and, if applicable, plans for applications to grants) g. Detailed time schedule and milestones (up to 1 page) in a table format as illustrated under “downloads” on the homepage. Please include detailed comments / explanations / descriptions 	<input type="checkbox"/>
Att. 3	Curriculum vitae in table form (max. 2 pages)	<input type="checkbox"/>
Att. 4	Notarized copies of certificates of university degrees (please number attachments 4A, 4B, 4C) Certificates should include grades and grading scheme, for international degrees notarized translations of the certificates are required (unless they are in English); attestation of equivalence if available.	<input type="checkbox"/>
Att. 5	Information about former practical or scientific activities if pertinent to the applicant's qualifications for PhD studies (e.g. description of research projects, summary bachelor / master thesis, list of scientific publications) (please number attachments 5A, 5B,...) (max. 10 pages; in English or German)	<input type="checkbox"/>
Att. 6	Applicants whose mother language is not English should provide a certificate from one of the following language tests: <ul style="list-style-type: none"> a.
