2. Dissertation:

Title

Institute or hospital at which the dissertation work was carried out

Where applicable, participation in a structured doctoral program (e.g. *Promotionskolleg*, research training group, graduate program, SFB)

3. Publication:

The submitted dissertation has not yet been published.

Results from the dissertation have already been published. The corresponding publications are attached. Please note that data, figures or text passages used in your dissertation which have already been published elsewhere must be correctly marked and cited in the dissertation.

Authors; title of publication; title of journal; date of publication; volume, page numbers

The submitted dissertation is a thesis by publication (*kumulative Dissertationsschrift*) and contains the following articles as chapters:

Authors; title of publication; title of journal; date of publication; volume no., page numbers

4. Declarations:

1. I declare that this dissertation is my own original work, except where indicated through the proper use of citations and references. I used no sources or aids other than those explicitly mentioned. Support provided by other persons is clearly marked and acknowledged as such in this dissertation.

2. Neither this work nor parts of it have been submitted elsewhere as a doctoral project in Germany or anywhere else in the world, either in the same or a similar form.

3. Previous doctoral projects

No, I have neither submitted a doctoral dissertation nor registered for a doctoral examination at any other university.

Yes, I have already submitted a doctoral dissertation or registered for or completed a doctoral examination at another university.

4. I declare that no criminal proceedings in connection with scientific misconduct are pending against me.

5. I declare under penalty of perjury that the information provided on this form is complete and accurate and that I am aware that providing false information in a declaration under penalty of perjury is punishable by fine or by a term of imprisonment for up to three years.

6. I am aware that false or incomplete information can lead to the initiation of proceedings on the part of the Faculty of Medicine to withdraw a conferred academic title.

7. I am aware that admission to the doctoral examination can be denied if the submitted documents are incomplete or if the information given is inaccurate. I have been informed that the right to use the academic title of Doctor only becomes effective upon receipt of the doctoral certificate.

8. I declare that this project was not offered to me in a commercial context of any kind and that I did not accept the services or assistance of any organization or person against financial compensation to carry out the necessary work in whole or in part. I furthermore declare that I am aware of the legal consequences of doing so.

9. I declare that animal protection guidelines were followed and that, wherever stipulated by the *Promotionsordnung* § 4, 2 a), a consultation through the Ethics Committee has taken place.

Place / date / signature of doctoral candidate

In order to enable the plagiarism check which has been mandatory since May 12, 2016, I have sent an electronic version of the dissertation by email to the Office of Doctoral Affairs at promotionen@med.uni-tuebingen.de. I hereby declare that this version is identical to the version of the submitted printed dissertation. I am aware that the use of another person's text, images or data which have not been correctly marked and cited constitutes attempted fraud.

5. Attachments

The following documents are attached to this form:

- two copies of the dissertation, unpunched and in a sturdy springback binder (A third copy should be given directly to your supervisor.)
- the “checklist for dissertations” signed by the candidate and the supervisor
- a **signed** declaration of your own contribution **bound** in the dissertation (which has also been signed) after the bibliography and an additional, signed copy as attachment to the Submission of Dissertation form (Please see the “Best Practice” Guideline which can be downloaded from the website of the Office of Doctoral Affairs, where you can also view a sample declaration.)
- where applicable, copies of publications based on the dissertation project
- an official certificate of good conduct (“Führungszeugnis”, Belegart O), not older than six months)
- a signed curriculum vitae (CV) in table form, with details on university education, scientific work experience, examinations and academic degrees
- a summary of the dissertation, signed by the official doctoral supervisor
- a certificate of attendance at a course on good scientific practice
- signed consent from all co-authors and declaration of contributions to the dissertation (only necessary where original publications are included as part of the dissertation)
- where applicable, a notarized copy of the certificate of successful completion of the medical or dental licensing examination

After the plagiarism check has been carried out on the electronic copy of the dissertation (mandatory for all dissertation submitted on or after May 12, 2016):

- Declaration of Originality and acknowledgement of plagiarism check on the dissertation, signed by the doctoral candidate and supervisor
