EBERHARD KARLS UNIVERSITÄT TÜBINGEN

MEDIZINISCHE FAKULTÄT

Symposium
Science & Career in Medical Data Science
Thursday, September 19, 2024
09:30 am - 05:00 pm
CRONA Lecture hall & foyer

Native Data Scientists   **Medical Data Scientists**

Scientists with challenging data projects

AGENDA

Time	Description
09:30am	**Registration opening**
Part I	**Career as a (Medical) Data Scientist**
10:00am	**Introduction**
10:10am	**Success Story:** Managing a career as a native data scientist
10:30am	**Success Story:** How to become a medical data scientist as a physician or other career changer
11:00am	World Café: listen, analyze, discuss and solve problems together or ask your questions to a senior data scientist: • How to plan a career as a data scientist • Academia vs. Industry – pros and cons • Necessary skills and helpful lectures for data scientists • Challenges experienced in your data scientist career
12:40pm	**Summary of the results in the lecture hall**
01:00pm	**Lunch break with catering; opportunity for networking**
Part II	**Medical Research Meets Data Science**
02:00pm	**Introduction**
02:10pm	**Success Story:** Collaborative Medical Data Science
02:40pm	**Scientific Speed Dating: "It's a match: data challenge finds data scientist"** Pitch your project, get feedback, find new collaborations
04:45pm	**Wrap up**
