UNIVERSITÄT
TÜBINGEN

MEDIZINISCHE
FAKULTÄT

2nd Symposium
Science & Career in Medical Data Science
Monday, October 6, 2025
10:00 a.m. – 5:00 p.m.
Conference Center Schnarrenberg

Native Data Scientists   Medical Data Scientists

Scientists with challenging data projects

9:30	**Registration**	Foyer
Part I	**Career as a (Medical) Data Scientist**	Room 1+2
10:00	**Introduction** *Prof. Dr. Manfred Claassen*	
10:15	**Speed Dating**: Get to know each other! Let's talk about you and your careers *Dr. Jan Lause*	
11:30	**Success Story**: A practical guide to getting a job in industry and how the day-to-day work really is *N.N.*	
12:00	**Success Story**: How to found a start-up There is magic (and chaos) in every beginning *PD Dr. Kilian Wistuba-Hamprecht* *CEO of the start-up "Vicinity Bio"*	
12:30	**Lunch break**	Casino
Part II	**Medical Research Meets Data Science**	Room 1+2
13:30	**Success Story**: Collaborative projects – a field report *Prof. Dr.-Ing. Oliver Kohlbacher* *Director Institute for Bioinformatics and Medical Informatics (IBMI)*	
14:00	**Success Story**: Same language, no understanding? Overcoming communication barriers between medical and data scientists *N.N.*	
14:30	**"Grassroots" World Café**: We provide the platform. You decide the topics.	
16:45	**Wrap up of the day**	

**Talent Academy
Data Scientist Track**

**Universitätsklinikum
Tübingen**
