Dear Colleagues,

The German Society of Pediatric Surgery has been appointed to host the 4th World Congress of the World Federation of Associations of Pediatric Surgeons. The Congress will take place in Berlin from October 13th – 16th, 2013. For our society this is a great honor and we have the pleasure to invite you to Berlin on this occasion.

The Congress motto is “Children’s Surgery with Competence & Heart”, and many activities will be executed to meet both pretensions.

- We propose to offer pre-conference sessions and educational courses together with IPSO, ESPU, IPEG and the German Section of Pediatric Traumatology.
