## *Curriculum Vitae*

### **SCIENTIFIC EXAMINATIONS AND DEGREES**

---

- |         |  |
|---------|--|
| 12.2014 | M.Sc. in Behaviour: From Neural Mechanisms to Evolution<br>(Master thesis: Sensorimotor Adaptation to Delayed Visual Feedback of the Whole Field of View in Augmented Reality) |
| 06.2012 | B.Sc. in Biology (Internship abroad: Night-flying Butterflies (Moths) at Lake Tåkern in Sweden)  |

### **RESEARCH WORK EXPERIENCE**

---

- |                   |   |
|-------------------|---|
| 01.2017 – to date | Exchange scholar, Department of Psychiatry and Psychotherapy, Medical Faculty, Eberhard Karls University of Tübingen, Germany                     |
| 04.2016 – to date | PhD student, Physiology of Cognitive Processes Department, Max Planck Institute for Biological Cybernetics, Tübingen, Germany                     |
| 01.2015 – to date | PhD student, Vision and Cognition Lab, Werner Reichardt Centre for Integrative Neuroscience (CIN), Eberhard Karls University of Tübingen, Germany |
| 12.2013 – 12.2014 | Graduate student, Department of Cognitive Neuroscience, Faculty of Biology, Bielefeld University, Germany   |
| 01.2014 – 12.2014 | Research assistant, Department of Neurobiology, Faculty of Biology, Bielefeld University, Germany   |
| 07.2013 – 12.2013 | Research assistant, Department of Biological Cybernetics, Faculty of Biology, Bielefeld University, Bielefeld, Germany                            |
| 01.2013 – 06.2013 | Research assistant, Department of Neurobiology, Faculty of Biology, Bielefeld University, Bielefeld, Germany                                      |

## ACADEMIC EDUCATION

---

02.2015 – to date	Doctoral degree in Neural and Behavioural Sciences, International Max Planck Research School for Cognitive and Systems Neuroscience, Eberhard Karls University of Tübingen, Germany
10.2012 – 12.2014	Master of Science in Behaviour: From Neural Mechanisms to Evolution, Faculty of Biology, Bielefeld University, Germany
09.2007 – 06.2012	Bachelor's degree in Biology, Çukurova University, Adana, Turkey

January 2017, Tübingen
